

EXHIBITION & SEMINAR SCHEDULE

TUESDAY, SEPTEMBER 20, 2022, 2:30PM – 8:00PM

I. UPDATE ON CURRENT REGULATORY ISSUES INCLUDING CARB, AQMD AND PFAS TESTING

Time: 2:30 PM - 4:00 PM

This seminar will be a panel discussion with the association committee members

Price: Free

This important seminar will give you an update on the CARB ATCM for hex chrome and will address current challenges and next steps. We will update all guests on what can be done to stop this regulatory ban on the surface finishing industry. The seminar will discuss current challenges with AQMD and the new rules that are being proposed this year. The seminar will continue with a discussion on the current PFAS testing that is being required by the Water Boards including what the next steps will be. We will leave plenty of time to answer question. The association committee members are highly knowledgeable on these and many more issues, this is a great opportunity to bring your questions.
