SUBJECT: MFASC/MFANC ANNUAL LEGISLATIVE ACTION DAY (ONLINE VIA ZOOM)

March 21 - 23, 2022 are the scheduled dates for our annual Legislative Action Day. This year we will hold a virtual event online through zoom. This is the perfect chance to discuss the CARB ATCM and other issues of concern for our industry. We will hold a briefing session in advance and handouts and materials will be emailed before your appointment. We will work with the buddy system so that no one will have to go online alone. If you have specific time concerns we can accommodate that request. We need everyone to participate this year. Please send in your form ASAP. Fax to (818) 238-9592 or email to admin@mfac.org.
